

Venue Hire Only from as little as £743

Venue Hire for the whole building from 4pm on Friday to 1pm on Sunday.

This includes use of the fully stocked kitchen, tables and chairs, access to a sound system to play background music from your own device during your wedding breakfast and use of microphones for speeches if needed. FREE parking for your wedding guests.

The main hall seats between 70 & 80 guests and has space for 100 to 110 guests (standing) for the evening.

You can use the rooms as you wish. The Billiard Room is a great space to have your bar and some chill-out space and the Committee Room could be turned into a children's playroom - their own space to do crafts, play games or just some quiet time (crafts & games not supplied by the venue).

Not forgetting the outside seating area and a play area just to the side the building.

This option gives you scope to use your own suppliers and event stylists to create the bespoke wedding reception of your dreams.
