

## Enhanced Features

You might need extra time to set-up / clear away or want to have more space for your wedding guests on the day. This is not a problem, as we have four further options for you to choose from:

- Venue hire from an earlier time on the Friday or a later time on the Sunday for more setting up or clearing away time from £27.50 per hour.
- Space to hire and erect a marquee on the recreation ground if your preference is for an outside wedding. You would still have access to all of the facilities at the Reading Room (toilets, kitchen and inside space): £110 subject to size of marquee.
- Garden Pavilion hire (6m x 3m) which can be erected either on the grass area outside the main building or, on the recreation ground: £300 (includes festoon lighting if required).
- Gazebo hire to provide additional shade over the outside seating space or wherever you choose to place them: £20 per gazebo.
